- (e) A bank of chips will not be augmented or removed from the table by an Entrant during the conduct of Tournament play, unless in the form of a re-buy or add-on.
- (f) Where an Entrant is re-seated by the Tournament Director, they must transfer their bank of chips so that the chips remain in clear view of the Dealer and the Tournament Entrants. Failure to do so may result in the chips being forfeited.

### **7 Re-entries, Add-ons and Alternates**

- (a) Where a Tournament allows re-entries, Entrants who have been eliminated from a Tournament may re-enter the event by paying the buy-in and entry/admin fee again. The number of re-entries and the duration of time Entrants are permitted to re-enter will be determined by the Tournament Director and announced prior to the commencement of that particular Tournament.
- (b) Where the Tournament allows add-ons, all Entrants in that particular Tournament may purchase an additional bank(s) of chips at the end of a predetermined period of time. Players must place their add-on monies (cash/cash chips) in front of their stacks to indicate their intentions to add-on.

### **8 Time to Act**

## Poker Cash Tournament Terms & Conditions

The specific amount of Time to Act in a Tournament will be as follows:

- (a) Entrants may request to 'put the clock' on another Entrant.
- (b) Subject to the request being reasonable,
  - (i.) The Tournament Director will call "time" and the Entrant in question will have one minute to act;
  - (ii.) If action has not been taken by the time of 50 sec has elapsed, there will be a 10-second countdown;
  - (iii.) If an Entrant has not acted on their hand by the time the countdown has elapsed, the hand will be dead and all wagers made by that Entrant will remain in the pot(s).
- (c) The Tournament Director may also call "time" on an Entrant if it is deemed that the Entrant is slow to act on their hand deliberately and or continually.
- (d) If the Tournament Director determines that an Entrant is being slow to act on more than one occasion in the same Satellite, that Entrant may be given a maximum of 10 seconds to act for all subsequent rounds of play.

### 9 Betting Limits

9.1 The betting limits, together with the timing of increases in blinds and/or antes, will be determined by Crown and set out in the Attachment/ss.

It is the caller's responsibility to determine the correct amount of an opponent's bet before calling, regardless of what is stated by the Dealer or players. If a caller requests a count but receives incorrect information from the Dealer or players, then places that amount in the pot, the caller is assumed to accept the full correct action & is subject to the correct wager or all-in amount.

- (a) In No Limit games, a single oversize chip without an announcement or indication of intent to raise will:
  - (i.) In the first betting Round, constitute a call; and
  - (ii.) In subsequent betting Rounds, if it is the first bet of that Round, it will constitute the size of the oversize chip bet, or the maximum bet permitted within the betting limits. If it is not the first bet of the Round it will constitute a call.
- (b) In all games, if an Entrant makes a raise of 50% or more of the previous bet without an announcement or indication of intent, they will be required to make the raise up to the minimum raise permitted. In all games, unless going 'all in', if an Entrant makes a raise of less than 50% of the previous bet or raise, without an announcement or indication of intent, it will be taken as a call.
- (c) Where an Entrant bets unannounced with two chips of the **same** denomination totalling more than the amount to call and less than the minimum amount to raise (and one chip value is less than the previous bet), it is only a call this instance, clause (e) does not apply.
- (d) In all games, if an Entrant makes a bet of less than the amount required to call, they will be required to make up the difference or fold and surrender the initial bet, which then forms part of the pot.

## **Poker Cash Tournament Terms & Conditions**

- (e) In No Limit games, if an Entrant states the intent to raise and bets with an oversize chip, the raise will be the maximum amount allowable up to the size of that chip.
  - (f) In No Limit games, when raising, an Entrant must either bet the amount of the raise in one 'clean' motion or state the raise amount. By stating the intent to raise, an Entrant protects his/her right to raise, but the raise must still be completed as per the previous sentence guidelines.
- 9.2 Verbal declarations in turn are binding. Verbal declarations or action out of turn may also be binding.
- (a) If an Entrant bets, raises or calls out of turn, the action stands.
  - (b) If an Entrant who should have acted prior to the out of turn Entrant chooses to bet more than the out of turn bet, the Entrant who acted out of turn can either make up the difference to call, or take back his bet and fold, or re-raise.
  - (c) An Entrant who checks out of turn forfeits all rights to bet or raise.
- 9.3 If a player does not have a sufficient table stake to meet a wager but wishes to stay in the game, they shall wager the remaining amount of their table stake which shall be known as tapping out. A player tapping out shall remain in the round of play as an active player until the showdown, taking no further part in any subsequent betting round.
- 9.4 Should the player tapping out have the highest-ranking hand at the showdown they will win only the pot they are eligible for.

### **10 General**

- 10.1 Dealers will deal 'round for round' generally when the number of Entrants remaining exceeds places paid by two and 'hand for hand' when the number of Entrants remaining exceeds places paid by one.
- 10.2 All cards will be turned face-up once an Entrant is 'all-in' and all action is complete.
- 10.3 In the event of a split pot, where there is an odd chip, the odd chip will be broken down to the lowest denomination chip in play on the table at that time. If, after the odd chip has been broken down, an amount remains that cannot be equally divided, that remaining amount will go to the nearest active hand to the left of the button.
- 10.4 A hand may be ruled retrievable by the Tournament Director.
- 10.5 When it is time to "colour-up" chips (remove the smallest denomination chips on the table), each player's chips will be counted by the Dealer and exchanged for the larger denomination chips. Chips will be rounded up (e.g., \$350 worth of \$25 chips will be exchanged for 4x\$100 chips) or a "race off" for any odd chips will be completed at the discretion of the Tournament Director.

When conducting a 'race off', the Dealer will:

- a) Deal one card for each odd chip to be raced off starting from seat 1 in a clockwise direction
- b) Award chips to the players with the highest card value (If more than one player has the same value card, the order of suits will apply (Hearts, Clubs, Diamonds and Spades)

## **Poker Cash Tournament Terms & Conditions**

An Entrant cannot be “raced out” of a Satellite. If an Entrant loses the “race off” and has no chips remaining, they will be given one chip of the smallest denomination in play, so that they can participate in the next round of play.

- 10.6 Subject to the Rules, the unobtrusive use of audio headphones, iPod or other similar electronic devices will be permitted up until the first table where prize money is paid.
- 10.7 Unless being re-seated in accordance with clause 6.3, an Entrant must be at the table by the time the Dealer has completed the initial deal, or their hand is dead.
- 10.8 There will be no foreign chips allowed on the table except for a maximum of one card protector per Entrant. The card protector must be smaller than the deck of cards in use.
- 10.9 When new betting limits are announced, the limits apply from the next round of play. A round of play begins when the Dealer gathers the cards to shuffle. When time has elapsed in a level and a new level is announced, the new level applies to the next round of play.
- 10.10 When only two Entrants remain in a Tournament, the Dealer button will be on the small blind and is first to act before the “flop” and last to act after the flop. The first card of a round of play is dealt to the player who does not have the Dealer button. The button will be adjusted so that no Entrant will pay the big blind twice in succession.

### **11 Elimination**

- 11.1 Entrants in a particular Tournament will be eliminated from that Tournament when they have lost their bank of Tournament chips and no further re-entries or add-ons are allowed.
- 11.2 As Entrants are eliminated from the Tournament, the number of tables may be reduced at the discretion of the Tournament Director.
- 11.3 To maintain balanced tables throughout the duration of the Tournament, Entrants may be re-seated at the discretion of the Tournament Director. Unless deemed otherwise by the Tournament Director, the following procedure will be applied:
  - (a) A difference of two Entrants between Tournament tables is acceptable. During the final stages of a particular Tournament a difference of two Entrants will be balanced as soon as is practicable.
  - (b) Tables will be balanced by moving an Entrant from the left of the big blind position from the table to be reduced to the table that requires balancing.
  - (c) Entrants must promptly move to the table as requested or risk incurring a penalty as described in 9.2
- 11.4 Where an Entrant is re-seated, they will assume all rights and responsibilities of their new position. An Entrant moving to a new table is eligible to be dealt a hand in any position, except if they are seated in between the Dealer button and the small blind.
- 11.5 In the event of more than one Entrant being eliminated from a Tournament during the same round of play on the same table, places will be allocated relative to the size of the eliminated Entrants’ respective Tournament chip banks prior to the commencement of that particular round of play.
- 11.6 In the event of two Entrants being eliminated from two separate tables on a corresponding round of play; those Entrants will be equal in placing regardless of their Tournament chip bank at the commencement of that particular round of play.

## **Poker Cash Tournament Terms & Conditions**
